FRIDGERS
REFRIGERATOR & FREEZER

COLD AND COMFORTABLE

About Us

Fridgers, a brand by Depar LTD., is a subsidiary of Depar Group of Companies, which has been founded in 1984. With our "Fridgers" and "Depar Solar" brands we produce and export to more than 40 countries with our expert staff on high quality refrigerators, cooling products and solar power systems. Incorporating the most efficient cooling solutions that can be applied for the rapidly polluting environment, the Fridgers family works to provide a clean, healthy environment and future for our children.

Fridgers.com which have always aimed to offer the newest and innovative products without compromising the quality line, show the necessary sensitivity to the dealer and services spread to 7 regions in the country. We provide best service for our existing dealers in more than 40 countries. We always focus on developing the best quality technological products.

Our high quality products are welcomed in many countries such as USA, Germany, France, Poland, Saudi Arabia, Iraq, Syria, Kuwait, Qatar, Egypt, United Arab Emirates, Yemen, Oman, Azerbaijan, Russia, Ukraine, Afghanistan, Turkmenistan. Exports to over 40 countries such as Nigeria, Niger, Ghana, Sierra Leone, Sudan, Somalia, Djibouti, Rwanda, Chad and Ethiopia.

FRIDGERS
REFRIGERATOR & FREEZER

INNOVATION EVERYWHERE

INNOVATION FOR YOUR CONVENIENCE

Our team is constantly researching to make your life easier. We are developing new features.

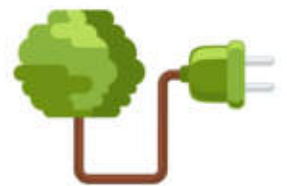

Here are a few of the extra features we offer:

- Maximum battery protection and long-lasting battery with adjustable power consumption.
- Our ultra-portable refrigerators with telescopic pull and carry handles is designed to go wherever you want as easily as a suitcase.
- Removable and easily replaceable lithium-ion batteries let you be completely free
- Our mobile application that allows you to remotely activate the child lock feature to prevent your beverage from freezing as a result of accidentally changing the setting you can block.
- Low noise LG Compressor

DEAR FREEDOM LOVER,

We are producing the best products with newest and the most innovative line of quality.

One of the most important features of our Fridgers brand refrigerators is the independent dual compartment. You can use 2 different compartments at the same time. While one compartment stores frozen food at -20° , the second one can be used for your ice-cold beverage stored at 3° degrees.

3 YEARS WARRANTY

We give 3 Years warranty for each product we sell.

BEST QUALITY COMPRESSOR

We only use the best quality compressors.

PRODUCT AND SIZE VARIETY

Our portable car refrigerators are designed with your experience for all your needs. Starting with a small picnic fridge to big enough to suitable for your private yacht we are here for you with our products in all sizes up to 142 liters.
